Re: Classification Recommendation

It is CDC's understanding, the City of Fitchburg will be moving the City's Assessing Department under the Direction of the Finance Director. Due to this change, the City asked Carlson Dettmann Consulting (CDC) to review the classification of the City Assessor and Director of Finance positions and make a recommendation for grade placement on the non-represented pay schedule.

Currently the City Assessor position is in a Grade N. Once the department is moved under the direction of the Finance Director, the responsibilities and accountability the City Assessor had as a Director level position will decrease. CDC reviewed the job evaluation points for this position and recommends the City Assessor, as a non-department head, should be moved down from a **Grade O** to a **Grade N**. CDC recommends the Director of Finance position remain in a **Grade Q**.
