To:	Board of Public Works, Resource Conservation Commission
From:	Rick Eilertson, Environmental Engineer

Subject:	Yard Waste Collection Pilot Ideas

Discussion of Yard Waste Collection Pilot to encourage reusable bags/containers

– A Fitchburg resident had contacted staff and the Resource Conservation Commission's Community Outreach Subcommittee with a proposal (Idea A) for the city to provide "Digger's Hotline"-type flags with a yard waste note to Pellitteri crews. Idea A is that the crews would use the flags to spear the plastic bags into the lawn to keep the bags from blowing around and this would reduce the number of bags Pellitteri needs to pick up and landfill. Rick discussed this idea with Pellitteri and both parties concluded this would be problematic for the following reasons: 1) spearing flags through the bags would render the bags non-reusable, 2) there was a concern that residents might be so angry about the flag note and speared bags that they may take out their frustrations on Pellitteri and/or Fitchburg staff and possibly elected officials.

An alternate idea (Idea B) was considered of providing Pellitteri crews with Fitchburg's brown reusable yardwaste polybags and a note on the polybag to reinforce sustainable yardwaste management practices. If there are plastic bags of yardwaste at the curb and no apparent container or method for leaving the bags behind without blowing away, Pellitteri's crews would pack the bags into the brown reusable yardwaste polybag provided by Fitchburg staff and ensure that the note was readily apparent to the customer. We currently only have 65 polybags, so if we want to pursue Idea B, we'd likely need to purchase more bags.

The Fall 2015 yardwaste collections are the weeks of October 26 and November 16, so we have a little time to plan out details. Staff is interested in getting feedback from both the Board of Public Works and Resource Conservation Commission at their meetings on September 21st:

- Should this idea be considered?
- Possible note wording: *"Hello, this is a Free reusable yard waste polybag for you to use as an encouragement to minimize sending single-use plastic bags to the landfill. Please visit: <http://www.fitchburgwi.gov/220/Yard-Waste-Collection> for additional suggestions associated with handling yard waste. Thank You!"* Are there any suggested revisions for what the note should say?

- Should we do the entire City, or just a Pilot area, perhaps picking neighborhoods with the most trees, etc.?
- Should we do this for both the Oct. and Nov. yardwaste collections?

Allowable Options For Curbside Placement of Yard Waste

1. No Yard Waste	2. Reusable Containers /Bags	3. Compostable	4. Thin Plastic Bags

 Resolution Number: **R-96-15**

Drafted by: Public Works

TITLE: A RESOLUTION TO SET THE 2016 SOLID WASTE COLLECTION RATES

Background: This resolution sets the 2016 Residential Unit Solid Waste (Refuse, Recycling, Yardwaste, and Brush) Collection Charge and the 2016 Apartment/Condominium Unit Brush Collection Charge. A spreadsheet analysis on the effect of the proposed rate is attached.

1. Attachment 1 includes the projected contractor costs for 2015 and 2016,
2. Attachment 2 includes the historic and projected status quo revenue and expenses for 2016, and
3. Attachment 3 includes an analysis that various unit charges would have on remaining fund balance projected at the end of 2016.

The level of service is proposed to be the same for 2016 as it has been for the last several years (weekly refuse collections, every other week recycling collections, 4 yardwaste collections and 14 brush collections).

The status quo collection fee of \$142/ household would result in a reduction of fund balance of \$38,198. In order to not deplete fund balance, Staff recommends increasing the collection fee to \$150/household which would slightly increase our fund balance by \$4,042. This would leave ~\$241k in projected fund balance reserve at the end of 2016 (approximately 27% Reserve of Annual Budget).

RESOLUTION R-96-15

A RESOLUTION TO SET THE 2016 SOLID WASTE COLLECTION RATES

WHEREAS, the City of Fitchburg provides residential collection for solid waste (refuse, recycling, yardwaste, and brush) through a contract with Pellitteri Waste Systems, LLC; and

WHEREAS, the City of Fitchburg also provides holiday tree collection and brush collection for apartment and condominium units not on private streets which are not served by the city's contract; and

WHEREAS, the City will provide these services at a cost of approximately **\$907,470** for the year 2016; and

WHEREAS, approximately **5280** homes will be charged for weekly curbside refuse collection, recycling collection every other week, **4** yardwaste collections, and **14** brush collections for 2016; and

WHEREAS, approximately **4127** apartment and condominium units will be charged for brush and holiday tree collection services for 2016; and

NOW BE IT HEREBY RESOLVED, that the Fitchburg City Council does agree to impose a city wide special charge on all residential and apartment units as follows:

- 1) All units presently served by the City's solid waste collection contract shall be charged the amount of **\$150** per unit, to include collection of refuse, recycling, yardwaste, and brush in 2016.
- 2) All apartment and condominium units not on private streets which are not served by the City's contract shall be charged the amount of **\$6** per unit, to pay for the 2016 brush and holiday tree collection costs.
