Mountain Bike Trails have been built and maintained by the volunteers of Capital Off-Road Pathfinders. Like to see more or get involved? Visit [madcitydirt.com](http://madcitydirt.com) CORP reminder - Be sensitive to the dirt beneath you. Wet and muddy trails are more vulnerable to damage than dry ones. When the trails are soft they are closed to all users. Stay on existing trails and do not create new ones or features. Do not cut switchbacks. Be sure to pack out what you pack in.
