

2019 Fitchrona Road / Nesbitt Road Roundabout Construction

Department of Public Works Update

July 10, 2019

Project information: Construction of a single lane roundabout, storm sewer upgrades, watermain relocation, and lighting upgrades.

Timeline: Construction July 10 - October 2019

Road Closures, Vehicle Traffic: Intersection is closed to through traffic. A signed detour is posted. Alternate travel routes ridesharing, transit, and nonmotorized travel is encouraged to reduce congestion during this time. Be attentive of construction workers if accessing businesses within the work zone.

Business and Resident access: Access to businesses and residences within the construction zone will be maintained but may change from time to time. The contractor/City/Business Coordinator will inform those affected as soon as changes are known. Contact **Cindy Jaggi** for updates on construction access during construction as well as planning for business assistance.

Communication: It is the intent of the City to minimize the amount of disruption and inconvenience to the community during any construction process. If during normal working hours you feel something went unnoticed, or needs attention, please contact the **Project Inspector**. As project inspector, they are the most familiar with daily operations of construction and can resolve many issues quickly.

If something happens after normal working hours that you feel requires immediate attention, please contact **Bill Balke** and arrangements will be made to resolve the issue.

As always, in an **emergency**, please call **911**.

Project Updates: Construction updates will be posted on the City website on a weekly basis and when major changes will be occurring. Residents and businesses will be notified individually in advance through a notice posted to the door when an impact to services or access is anticipated. If at any time you would like additional information, please call Bill Balke at 608-270-4264 or Cindy Jaggi at 608-712-1980
