Numbers

Read

Sing

*Five Green and  
Speckled Frogs*

Show the numbers on  
your fingers as you sing.

Talk

Take a walk around your  
neighborhood and point out the  
house numbers. If the number is  
too large, point out the numbers  
within that number.

Write

Write out numbers 1-10 and  
then spell out the same  
numbers side by side. Say  
the numbers in Spanish for  
an extra challenge!

Play

Have your child count out  
different household items.  
Tell them to count out “four  
books” or “seven crayons”.  
Get creative!
