

## **FISH HATCHERY ROAD CONSTRUCTION UPDATE**

Forward this email to family, friends and co-workers who travel this area and encourage them to [sign up](#) for Project email updates!

*STAY INFORMED:* Fish Hatchery Road [Project website](#) and connect through [Facebook](#), [Twitter](#) and [YouTube](#).

### **Weekly Construction Update: May 19 – May 28**

*Access is open to area businesses and neighborhoods in the project area. Please continue to patronize our local businesses*

#### **Overall Project Summary:** Reconstruct FHR from Traceway Drive south to Brendan Avenue

• ~~Stage Pre-E (Temporary Accommodations): Through April 12<sup>th</sup>~~

- **Stage E (Reconstruct NB lanes, Traffic pushed west & occupy existing SB lanes): April 13<sup>th</sup> – July**
- Stage F (Reconstruct SB lanes, Traffic moved east & onto new NB lanes): July – October
- Stage G (Medians, Daily closures with traffic split & using permanent lanes): Fall – 11/12/21

#### **Recent Milestones**

- Complete retaining block wall just south of bike bridge at McKee installation
- All storm sewer, water installations, and grading is complete except the segment between Breckenridge to Caddis, and Glacier Valley intersection
- Pour monotube bases at DNR/Caddis intersection

#### **Traffic Alerts:**

- Current Conditions:
  - FHR southbound left turn at E. Cheryl is closed
- Upcoming:
  - Traceway & Ochalla
    - Southbound lane closures Thurs 5/20
  - Streetscaping
    - Mon, 5/24 & Tues, 5/25: Northbound median lane to close to install perennials in median (9am – 3pm)
  - Storm sewer punch list walk through
    - Wed, 5/26: Southbound (Beltline – Traceway) lane closure for storm walk thru (9am – 1pm)
    - Wed, 6/2: GWC & GWC/FHR intersection lane closure for storm walk thru (9am – 1pm)
  - Glacier Valley (at Cahill) Shutdown scheduled for 6/1 (following Memorial Day wknd) and will continue until we switch to Stage F (anticipated in early July)
    - Temp gravel path connection from Glacier Valley to the pedestrian overpass will remain available (at grade crossing at intersection will be closed)

#### **Plan Ahead: Three-week construction outlook**

- Remaining Week
  - Roadway: Complete Breckenridge to Caddis segment, start grading behind curb north of Breckenridge
  - Storm Sewer & Water: Finish up underground with focus on Caddis to Glacier Valley
  - Electrical: Install monotube signal arms at Ochalla & Traceway
- Week of 5/24
  - Roadway: Adjust inlets, crush remaining pvmt, sidewalk & dvwy prep
  - Storm Sewer & Water: Finish up remaining loose ends
  - Streetscaping: Install perennials
  - Restoration: landscape Avalon driveway ditch, remaining topsoil behind High Ridge Mall retaining walls, and any topsoiled slopes along FHR
  - Signing: Band signs to Ochalla & Traceway signals
  - Electrical: Finish wiring Ochalla & Traceway signals, start light bases south of Traceway

The project field office is located at [2948 North Fish Hatchery Road, Fitchburg, WI](#). If you plan to stop onsite, please call ahead of time (608) 347-1355 so we can ensure someone is available to meet.
