Weekly Construction Update: July 7 – July 16

Access is open to area businesses and neighborhoods in the project area. Please continue to patronize our local businesses

Overall Project Summary: Reconstruct FHR from Traceway Drive south to Brendan Avenue

- ~~Stage Pre-E (Temporary Accommodations): Through April 12th~~
- ~~Stage E (Reconstruct NB lanes, Traffic pushed west & occupy existing SB lanes): April 13th – June 28th~~
- **Stage F (Reconstruct SB lanes, Traffic moved east & onto new NB lanes): June 28th – October**
- Stage G (Medians, Daily closures with traffic split & using permanent lanes): Fall – 11/12/21

Recent Milestones

- Stage F is underway
- Utilities are onsite addressing conflicts

Traffic Alerts:

- Current Conditions:
 - Stage F - Traffic shifted onto new NB (eastern most) lanes, SB lane being reconstructed
 - Traceway to Greenway Cross – SB bus lane closed (access to bus stops is maintained) (T 7/6 & W 7/7)
- Upcoming Impacts:
 - Traceway to Greenway Cross – NB bus lane closed (Th 7/8 – into next week)
 - **Anticipate closing Cahill intersection Monday, Monday, 7/26 – Friday, 8/6**
 - **Anticipate closing High Ridge intersection, Monday 8/9 – Friday, 8/20**

Plan Ahead: Three-week construction outlook

- Remaining Week
 - Removals & Grading: Continue removing pvmt and grade McKee to south limits
 - Electrical: Focus on traffic signal pole luminaires & street lights north of Traceway
- Week of 7/12
 - Removals & Grading:
 - Relocate to north end and work south (Box Culvert toward High Ridge)
 - Wingra mobilizing to crush pvmt
 - Storm Sewer & Water:
 - Mobilize and start installations north of High Ridge
- Week of 7/19
 - Structure crews mobilizing to begin work on box culvert, pedestrian bridge, and R-13-355 (modular block wall in front of Pines Apt)

The project field office is located at [2948 North Fish Hatchery Road, Fitchburg, WI](#). If you plan to stop onsite, please call ahead of time (608) 347-1355 so we can ensure someone is available to meet.
