

Oak Hall Cemetery

On March 7, 1853 R.W. Salisbury and his wife deeded the property, 13 rod square, to the town of Greenfield for the sum of \$1.00. Many of Fitchburg pioneer families are buried at this site. Inscriptions on the gravestones provide a history of various wars, epidemics and other family tragedies.

The Fitchburg Cemetery Association turned over ownership of the cemetery and existing documentation to the city of Fitchburg in 1987.
