Signers must give their complete address (house number, street and municipality – no Post Office boxes), and must list the municipality of residence. Signers must date their signature, including the year. Although the person signing the nomination papers must reside within the district, the person circulating the nomination papers does not need to live in the municipality.

Following the submittal of all of the above forms to the City Clerk's Office, the forms will be checked for validity. You are strongly urged to obtain more than the minimum number of signatures required for ballot status, in case a deficiency is found with some signatures. For each election candidates' names are drawn by lot for order placement on the ballot.

If a potential candidate does not submit all necessary forms and an adequate number of nomination signatures by 5 p.m. on January 7, 2020, his or her name will **not** be placed on the ballot.

**Notification of Non-Candidacy, Form EL163**

## Campaign Finance

*Chapter §11 of the Wisconsin Statutes*

The campaign finance report (for total contributions of \$2,000 or more) is available on the Wisconsin Ethics Commission website and is provided to candidates in the packet or upon request, by the City Clerk's Office.

Candidates are required to file periodic campaign finance reports on the dates listed below. Candidates for local office whose names do not appear on the primary ballot are not required to file a pre-primary report.

2020 Election Dates: Spring Primary, February 18, 2020 Spring Election, April 7, 2020		
<b>2020 Reports</b>	<b>Filing Deadline</b>	<b>Reporting Period</b>
Spring Pre-Primary	February 10, 2020	1/1/20 thru 2/3/20
Spring Pre-Election	March 30, 2020	2/4/20, or the date of your last report thru 3/23/20
July Continuing	July 15, 2020	3/24/20, or the date of your last report thru 6/30/20
January Continuing	January 15, 2021	7/1/20 thru 12/31/20

### Eligibility for Exemption

Committees may be eligible for an exemption from filing campaign finance reports if campaign finance activity is low enough to meet the following criteria:

- The committee anticipates that it will not accept contributions, OR make disbursements, incur loans and other obligations in an aggregate amount exceeding \$2,000 in a calendar year.
- The candidate or treasurer must sign and date the request for exemption on the campaign registration statement (ETHCF-1) or exemption reverification (ETHCF-14). An indication of limited activity (exemption) under this section is effective only for the calendar year in which it is granted. The candidate's contributions do count toward the total receipts of \$2,000 or less in a calendar year.
- If a candidate committee wishes to renew its exempt status, it should file the ETHCF-14 or a new ETHCF-1. Candidates on the ballot may claim an exemption when they first register, or renew their exemption from the previous calendar year. HOWEVER, a candidate on the ballot in that calendar year, who did not previously claim the exemption, may not amend her/his registration to claim the exemption before the date of her/his election.

### Financial Records Kept During Exemption

When a committee is exempt, it is not required to file any campaign finance reports (ETHCF-2L or CF-2Na). However, the candidate or treasurer is required to keep financial records adequate to meet the requirements of campaign finance law. Records must be kept of all contributions to the committee and of all expenditures.

A candidate who is exempt from filing campaign finance reports may use a personal account as the campaign depository. The name and address of the financial institution must be provided on the ETHCF-1.

## Revoking Exemption

If a decision is made at a later date to exceed the \$2,000 limit on contributions or disbursements, the committee must amend its campaign registration statement immediately, by checking the box: *"This registrant is no longer eligible to claim exemption"* on either the ETHCF-1 or ETHCF-14.

The committee is then required to file campaign finance reports beginning with the next regular report. The first report must cover all financial activity from January 1 of the current year, through the cutoff date of the required report.

## Contribution Limits

All candidates running for elected office must abide by contribution limits that vary depending on the office sought and the population of the district. The only contributors not subject to limits are the candidate contributing to his or her own election, and political party committees. To determine the limits for a candidate for local office, see the guidelines below.

Contribution limitations apply cumulatively to the entire primary and election campaign in which the candidate participates, whether or not there is a contested primary election.

Office	District Population (2010 Census)	Individual Limit	Candidate Committee Limit	Political Action Committee Limit
Ald. District 1	6,485	\$500	\$500	\$500
Ald. District 2	6,318	\$500	\$500	\$500
Ald. District 3	6,307	\$500	\$500	\$500
Ald. District 4	6,150	\$500	\$500	\$500
Mayor	25,260	\$505	\$500	\$505

## In-Kind Contributions

An in-kind contribution is any good, service or property offered to the candidate's campaign free of charge or at less than the usual cost for such goods, services or property. For example, if a campaign worker purchases stamps that are used for a mailing and is not reimbursed for the cost of the stamps, the value of the stamps is an in-kind contribution to the candidate's campaign from that campaign worker. When an individual is paid to work on behalf of a candidate by a political committee or some other person, the payment for those services is an in-kind contribution to the candidate's campaign. If a political committee or individual offers to provide food and beverages for a fundraiser at less than the ordinary market price, the difference between the ordinary market price and the cost to the campaign is an in-kind contribution from the political committee or individual.

The candidate or campaign treasurer must agree to accept an in-kind contribution before it is given. Before making an in-kind contribution to a candidate, the contributor is required to notify an authorized person from the candidate's campaign and obtain either oral or written consent to the contribution. If the contributor does not know the actual value of the contribution, a good faith and reasonable estimate of the fair market value should be provided.

An in-kind contribution received by the campaign committee is reported by the committee as both a receipt and expenditure. This procedure allows the campaign to disclose the receipt of the contribution on its campaign finance report along with cash contributions received and track year to date and campaign period totals. Then, in order to keep the committee's cash balance accurate, the amount of the in-kind is reported as an expenditure. The two entries offset each other and do not affect the cash balance.

If an estimate of the value of an in-kind contribution is the only value available at the time the candidate is required to file a report, the committee must report the estimated value of the contribution. When the actual value of the estimated in-kind contribution is known, the actual amount is reported as a contribution and an expenditure on the campaign finance report.

In-kind contributions are subject to the same itemization thresholds and the same contribution limits as cash contributions. Cash contributions and in-kind contributions from a single contributor are added together for the purposes of determining compliance with contribution limits and the year-to-date amount for a specific contributor. When a political communication is provided as an in-kind contribution, the disclaimer must identify the committee receiving the contribution.

### **Contributions and Other Income from Businesses**

Businesses may make contributions under some circumstances, but the rules vary by the type of business.

1. Corporations **may not contribute** to local or state candidates in the State of Wisconsin.
2. Sole-proprietorships may contribute. The contribution must be reported under the name of the individual owner. This contribution counts toward the contribution limits from that individual to the candidate.
3. Partnerships may contribute. The contribution must be reported under the names of the individual partners. The partnership may agree beforehand on how to allocate a portion of the contribution to each partner. If the partnership does not inform the candidate how the contribution should be allocated between the partners, then the contribution should be divided up according to each partner's share of the partnership's profits.
4. LLCs that are taxed as corporations **may not contribute** to local or state candidates in the State of Wisconsin.
5. LLCs taxed as a sole-proprietorship or partnership may contribute. The contribution must be reported under the name(s) of the individual owner(s). If there is more than one owner, contributions should be allocated as described in the partnership section above.

Occasionally, a candidate committee may receive other income, like interest on a savings or checking account, or a refund of a security deposit, from a business. This other income is not a contribution, and may be accepted from any type of business. The income should be reported on Schedule 1-C (Other Income), rather than Schedule 1-A, where contributions are reported.

## **Prohibited Contributions**

Certain contributions are prohibited by Wisconsin law. A candidate's campaign may not accept the following types of contributions:

1. Anonymous contributions of more than \$10;
2. Contributions in cash of more than \$100;
3. Contributions given in the name of someone other than the contributor (these are laundered contributions);
4. Contributions from corporations, labor organizations or federally recognized American Indian Tribes;
5. Contributions in excess of the limits set by law

A candidate should monitor contributions from organizations that have not registered. If the candidate's campaign is notified that a contribution was received from an unregistered organization, the candidate should ensure that the contribution is lawful, and not accept any additional contributions from that organization if the committee cannot determine whether the contribution is lawful.

## **Returned Contributions**

Any contribution you return to the donor after depositing it in the campaign account must be reported as a returned contribution to the contributor. Any contribution returned to the donor uncashed within 15 days of receipt has not been accepted and does not get reported.

## **Contributions Transferred through Conduits**

A conduit is any individual, committee or group that receives contributions from individuals, deposits those contributions in a financial institution, and then transfers the contributions to a committee selected by the original contributor. The conduit may not exercise any discretion over the amount or ultimate recipient of the contributions. A conduit is required to register with the Wisconsin Ethics Commission.

When a conduit transfers contributions, it writes a single check for the total amount of all individual contributions designated for that committee. It is required to provide a transmittal letter with the check. This letter must identify the organization as a conduit, and list the individual contributors, the amount of each individual's contribution, and the date the individual authorized their contribution (see Wis. Admin. Code GAB § 1.855).

Contributions transferred through conduits are reported as contributions received from the individuals listed in the transmittal letter. These contributions are reported under the individual's name. They are subject to itemization on the same basis as other individual contributions.

## **Obligations**

"Obligation" means any express agreement to make a disbursement, including all of the following:

- (a) A loan or loan guarantee.
- (b) A promise or a payment to purchase, rent, or lease tangible personal property.
- (c) A promise or a payment for a service that has been or will be performed.

## ATTRIBUTION STATEMENTS ON POLITICAL LITERATURE (DISCLAIMERS)

### Disclaimers

No disbursement by candidate committees may be made anonymously, and no contribution or disbursement may be made in a fictitious name or by one person or organization in the name of another.

- (a) Every printed advertisement, billboard, handbill, sample ballot, television or radio advertisement, or other communication containing express advocacy which is paid for by any contribution or disbursement shall clearly identify its source.
- (b) Every communication described under par. (a) the cost of which is paid for or reimbursed by a committee, or for which a committee assumes responsibility, whether by accepting a contribution or making a disbursement, shall identify its source by the words "Paid for by" followed by the name of the committee making the payment or reimbursement or assuming responsibility for the communication and may include the name of the treasurer or other authorized agent of the committee.

Attribution statements do not apply to communications containing express advocacy printed on small items, which would normally require a disclaimer, but cannot be conveniently printed, including text messages, social media communications, and certain small advertisements on mobile phones.

### Formats for Disclaimers

When a communication is paid for by a candidate committee, the disclaimer must include the words "Paid for by", followed by the name of the committee:

"Paid for by Friends of Mary Smith."

The disclaimer may also include the name of the treasurer or other authorized agent:

"Paid for by Friends of Mary Smith, James Jones, Treasurer."

### Campaign Signs

It is a violation of Fitchburg's sign ordinance to place campaign signs in the public right-of-way. The public right-of-way includes the street and the terrace (area between the sidewalk and the street). Signs should not be placed in the median strip of boulevards or displayed on posts, trees, or other supports in any public street.

**Political signs and posters:** Any public election or referenda sign may be displayed during an election campaign period. In a residential district such signs may not exceed 11 square feet. A political sign may not have an electrical, mechanical or audio auxiliary which is determined to be a public nuisance under city ordinance [chapter 14](#), pertaining to offenses against public policy. No political sign shall be placed so as to jeopardize traffic or pedestrian safety. Persons or committees authorizing the distribution or posting of campaign materials, as well as the owner of the premises on which the sign is displayed, shall be responsible for compliance with this chapter. The term "election campaign period" as used in this subsection has the meaning set forth in Wis. Stats. § 12.04(1) (a).

## **Election Day Campaign Restrictions**

*Wisconsin Statutes § 12.03 & 12.04*

- ◆ State Statute §12.03 prohibits electioneering on public property within 100 feet of an entrance to a building containing a polling place, or engaging in any activity that disrupts voting or interferes with the orderly conduct of the election. This prohibition does not apply to electioneering on private property within 100 feet of an entrance to a polling place. The placement of election signs on private property within the 100-foot radius is permissible.
- ◆ According to State Statute §12.04(2), any individual may place a sign containing a political message upon residential property owned or occupied by that individual during an election campaign period.

## **Election Observers**

Any member of the public other than a candidate may be present at any polling place for the purpose of observing an election. Observers must register with the Chief Inspector. Observers may not address the voters or interfere with the election process. Observers may not wear campaign buttons or campaign shirts, and are not permitted to hand out campaign literature within the polling place. Electioneering is prohibited within 100 feet of any entrance to a building containing a polling place.

Candidates may not hang out at a polling place where their name is on the ballot, even if they are unopposed.

The Chief Inspector will provide only one warning to election observers who engage in loud, boisterous, or disruptive behavior that, in the opinion of the Chief Inspector, threatens the orderly conduct of the election or interferes with the voting process. If the observer does not cease the offending conduct, the Chief Inspector will instruct the observer to leave the polling place. If the observer refuses to leave, the Chief Inspector will call the police to have the observer removed from the polling place.

## **Voter Lists**

Lists of voters and lists of absentee ballot requestors can be obtained from the Wisconsin Elections Commission. Contact the Wisconsin Elections Commission at 266-8005 if you wish to purchase a voter list.

# FORM INSTRUCTIONS

## CAMPAIGN FINANCE REGISTRATION STATEMENT (CF-1)

**Note:** Use of this form is required by the Ethics Commission for registration of a political committee or conduit under Chapter 11 of Wisconsin Statute. Completion of this form is mandatory for committees that file on paper. It is not the Commission's intention to use any personally identifiable information from this form for any other purpose.

**Item 1. Is this an amendment?** Check the appropriate box. If "Yes" is checked, enter the committee ID number if you have one. If "No" is checked, proceed directly to Section A.

**Section A: General Information.** All candidates, committees, and conduits must complete section A.

**Item A1: Committee/Conduit Name.** All committees and conduits must have a name. It is not required that the name include the candidate or organization's name, but it is recommended, e.g., Friends of John Smith. A political party committee wishing to operate under the same name as a state political party committee must receive authorization from that state party (WIS. STAT. § 11.0101(26)(a)1).

**Depository Institution Information.** All committees and conduits must designate a depository institution. While it is recommended that all committees have a designated campaign depository account, candidates who will serve as their own treasurer may designate a single personal account to serve as the committee depository account and may intermingle personal and campaign funds (WIS. STAT. § 11.0201(2)(b)).

**Treasurer/Administrator Information.** Each committee must appoint a treasurer and each conduit must appoint an administrator. Any adult may serve as a treasurer or administrator. A candidate may serve as his or her own treasurer. If a candidate is serving as their own treasurer, please indicate so in this section.

**Section B: Candidate Committees.** Candidate committees must complete section B. No other committee type should complete section B.

**Section C: Recall Committees.** Recall committees must complete section C. No other committee type should complete section C.

**Section D: PAC, IEC, and Conduits.** Political action committees, independent expenditure committees, and conduits must complete section D. No other committee type should complete section B. All fields in section D refer to the sponsoring organization's contact information.

**Section E: Political Party and Legislative Campaign Committees.** Only political party committees and legislative campaign committees should complete section E.

**Item E2.** A political party or a legislative campaign committee may establish a segregated fund for purposes other than making contributions to a candidate committee or making disbursements for express advocacy (WIS. STAT. § 11.1104(6)). It is recommended that the committee maintain the segregated fund in a depository account separate from the primary account, but it is not required.

**Items E3 - E7.** If the segregated fund is maintained with the same depository institution as the primary account, write "Same as primary account." in E3.

**Section F: Referendum Committees.** Only referenda committees should complete section F.

**Section G: Certification.** All committees and conduits must complete section G.

## INSTRUCTIONS FOR PREPARING NOMINATION PAPERS FOR NONPARTISAN OFFICE

This is a sample nomination paper form. It conforms to the statutory requirements for nomination papers for nonpartisan office. All information concerning the candidate must be completed in full before circulating this form to obtain signatures of electors. All information concerning the signing electors and the circulator must be completed in full before filing with the appropriate filing officer. This form may be reproduced in any way. A candidate's picture and biographical data may also be added to this form. The Wisconsin Elections Commission has determined that no disclaimer or other attribution statement is required on nomination papers. Candidates are advised to send a sample of their completed form to the filing officer for review before circulation.

**Page Numbers** – Number each page consecutively, beginning with “1”, before submitting to the filing officer. A space for page numbers has been provided in the lower right-hand corner of the form.

**Candidate's Name** - Insert the candidate's name. A candidate may use his or her full legal name, or any combination of first name, middle name, and initials or nickname with last name. The Wisconsin Elections Commission has determined that, absent any evidence of an attempt to manipulate the electoral process, candidates are permitted to choose any form of their name, including nicknames, by which they want to appear on the ballot.

No titles are permitted. In addition, names such as “Red” or “Skip” are permitted, but names which have an apparent electoral purpose or benefit, such as “Lower taxes,” “None of the above” or “Lower Spending” are not permitted. It is also not permissible to add nicknames in quotes or parentheses between first and last names. For example, John “Jack” Jones or John (Jack) Jones are not acceptable, but John Jones, Jack Jones or John Jack Jones are acceptable.

**Candidate's Address** – Insert the candidate's residential address (*no P.O. Box addresses*) and the municipality for voting purposes. Indicate if the municipality of residence is a town, village, or city. If a candidate's mailing address is different from the residential address or voting municipality, a complete mailing address must also be given.

**Date of Election** - Insert the date of the election. If the nomination paper is being circulated for a spring election, the date is the first Tuesday in April. If the election is a special nonpartisan election, the date of the special election must be listed.

**Title of Office** - The name of the office must be listed **along with any branch, district, or seat number** (if applicable) that clearly identifies the office the candidate is seeking. If necessary, the name of the jurisdiction that identifies the office, such as Dane County Circuit Court Judge, Branch 3, must also be listed.

**Name of Jurisdiction** - The nomination papers must also indicate the municipality or jurisdiction in which the signing electors are qualified to vote, as it relates to the office sought by the candidate named on the nomination paper. For example, for a statewide office the jurisdiction is the State of Wisconsin. Others may be the county, town, village, city, aldermanic district, school district, or town sanitary district, as required.

**Signatures and Printed Name of Electors** - Only qualified electors of the jurisdiction or the district the candidate seeks to represent may sign the nomination papers. Each signer must also legibly print their name. Each elector must provide their **residential** address (*no P.O. Box addresses*), including any street, fire or rural route number, box number (if rural route) and street or road name, and municipality of residence. A post office box number alone does not show where the elector actually resides. The name of the Municipality of Residence must be listed for each signing elector and must clearly identify the town, village or city where the elector's voting residence is located. The date the elector signed the nomination paper, including month, day and year, must be indicated. Ditto marks that follow correct and complete address or date information are acceptable. The circulator may add any missing or illegible address or date information before the papers are filed with the filing officer.

**Signature of Circulator** - The circulator should carefully read the language of the *Certification of Circulator*. **THE CIRCULATOR MUST PERSONALLY PRESENT THE NOMINATION PAPER TO EACH SIGNER. THE NOMINATION PAPER MAY NOT BE LEFT UNATTENDED ON COUNTERS OR POSTED ON BULLETIN BOARDS.** The circulator's complete residential address including municipality of residence must be listed in the certification. **After** obtaining signatures of electors, the circulator must sign and date the certification.

**Other Instructions** - Candidates and circulators should review Ch. Wisconsin Elections Commission §§ 2.05, 2.07, Wis. Adm. Code.

- *Original* nomination papers must be in the physical custody of the appropriate filing officer by the filing deadline. A postmark on the filing deadline is **NOT** sufficient. Nomination papers **CANNOT** be faxed to the filing officer. Ch. Wisconsin Elections Commission § 6.04(2), Wis. Adm. Code.
- Nomination papers with the required number of signatures must be filed with the appropriate filing officer **no later than 5:00 p.m.** on the first Tuesday in January (or the next day if the first Tuesday is a holiday) before the spring election. Special elections may have different filing deadlines. Check with the filing officer.
- In order for a candidate's name to be placed on the ballot, a candidate must file a *Campaign Registration Statement* (ETHCF-1), a *Declaration of Candidacy* (EL-162), and *Nomination Papers* (EL-169) containing the appropriate number of signatures for the office sought no later than the filing deadline. Wis. Stat. § 8.10(3). Candidates for state office and municipal judge must also file a statement of economic interests with the Wisconsin Ethics Commission by the third business day after the nomination paper filing deadline. Wis. Stat. § 19.43. If any one of these required forms is not filed by the deadline, the candidate's name will not be placed on the ballot. Wis. Stat. § 8.30.
- If a candidate or circulator has any questions, he or she should contact the filing officer.

# REGISTRATION REQUIREMENTS

## Who is Required to Register

Under Wisconsin campaign finance law, a candidate for election to public office must register a candidate committee with the appropriate filing officer. A candidate for local office:

County Executive  
County Supervisor  
County Clerk,  
County Treasurer,  
Clerk of Circuit Court,  
Coroner,  
Register of Deeds,  
Sheriff,  
Mayor,  
Aldersperson,  
Town, Village or School District Board Member,  
Municipal Clerk or Municipal Treasurer [if elected], Municipal  
Judge;

must register a candidate committee with the clerk of the county, city, town, village, or school district as soon as any of the following occur:

- (a) The individual takes any of the following affirmative actions to seek nomination or election to a state or local office:
  - 1. Files nomination papers with the appropriate filing officer.
  - 2. Is nominated as a candidate for state or local office by a caucus under s. 8.05 (1) or by a political party and the nomination is certified to the appropriate filing officer.
  - 3. Receives a contribution, makes a disbursement, or gives consent for another person to receive a contribution or make a disbursement in order to bring about the individual's nomination or election to a state or local office.
  
- (b) The individual holds a state or local office and is the subject of a recall petition.
  
- (c) The individual holds a state or local office.

A candidate must file a campaign registration statement (CF-1) for their candidate committee as soon as practicable after the individual qualifies as a candidate. A candidate who receives no contributions, makes no disbursements, and incurs no obligations need not designate a campaign depository account until the first contribution is received, disbursement is made, or obligation is incurred. The minimum amount of money needed to open an account can be deposited at a financial institution and a post office box can be rented before registration. These receipts and expenses must be reported on the first campaign finance report.

After filing the registration statement, a candidate may begin receiving and disbursing campaign funds. The campaign's financial activities must be reported to the filing officer on campaign

finance reports (ETHCF-2L, 2LE, or 2a), *unless the committee has claimed an exemption from filing finance reports.* These reports will disclose information on the receipts, expenditures, incurred obligations and loans of the campaign.

## **Completing a Registration Statement**

### **Section A. General Information**

This section must be completed by all candidates and candidate committees. It contains the information identifying the candidate committee. ***All candidates are required to have a registered campaign committee, even if the candidate is the only person participating in the campaign and even if there is absolutely no money being spent on the race.***

#### A1. Candidate Committee/Committee/Conduit Name

The Ethics Commission recommends using something like “FIRST AND LAST NAME for OFFICE” for the committee name, so that any attribution/disclaimer statements placed on advertisements or yard signs make clear who paid for them.

#### A2. Registrant Type

Local candidate committees should choose “Candidate.”

#### A3-13. Contact and Depository Institution Information

If the candidate committee does not have a separate address/PO box, phone number, email or depository account for the candidate committee, then the candidate should use their personal address, phone number, email and depository account. Depository accounts are required, even if absolutely no money is being spent.

#### A14-20. Treasurer Information

If the candidate is serving as their own treasurer, they should include their own contact information here.

#### A21-28. Other Officers

This section is intended to list other individuals that are helping on the campaign and is entirely optional. Local non-partisan candidates can list an individual here with an asterisk by their name which indicates they are to fill a vacancy if the candidate were to pass away.

#### A29. Exemption

Indicate whether the candidate committee will not accept contributions, make disbursements or incur obligations in aggregate of more than \$2,000 in a calendar year and therefore is eligible to claim an exemption from filing campaign finance reports.

### **Section B. Candidate Committees**

#### B1-3. Election Information

List the office sought, including the district and branch and the election date. If the race is nonpartisan, then “nonpartisan” can be listed in B2.

#### B4-10. Candidate Information

This section should list the personal contact information of the candidate.

#### B11-12. Second Candidate Committee

If the candidate has an additional candidate committee, they should indicate it in this section.

### Section C-E: Other Committee Registration Information

Local candidate committees do not need to fill out information in Sections C-E because those sections are for Recall, Political Action, Independent Expenditure, Political Party, Legislative Campaign, Referenda Committees and Conduits.

### Section G. Certification

The candidate and treasurer certify the registration here with their signatures. If the candidate serves as the treasurer, they only need to sign once under “Candidate” in G4-G6.

### **Amending a Registration Statement**

When any of the information reported on the registration statement changes, the statement must be amended by filing a new CF-1. The candidate or treasurer must file the new CF-1 with the appropriate filing officer, checking the “yes” box at the top of the form to indicate that it is an amendment.

### **Penalty for Not Filing a Registration Statement**

Failure to file the registration statement by the deadline for filing nomination papers prevents a candidate’s name from appearing on the ballot. If a required statement or amendment is not filed on time, the registrant may be subject to a fine.

### **Candidates Seeking More Than One Office**

An individual who holds a state or local elective office may establish a second candidate committee to pursue another office. If a second committee is established, that committee will register and file reports with to the appropriate filing officer.

If the candidate chooses to keep a single committee, copies of the registration and all reports should be filed with both filing officers, and each reported transaction should be labeled with the office to which it applies.

# EXEMPTION FROM FILING CAMPAIGN FINANCE REPORTS

## Eligibility

Committees may be eligible for an exemption from filing campaign finance reports if campaign finance activity is low enough to meet the following criteria:

The committee anticipates that it will not accept contributions, OR make disbursements, incur loans and other obligations in an aggregate amount exceeding \$2,000 in a calendar year.

The candidate or treasurer must sign and date the request for exemption on the campaign registration statement (CF-1). An indication of limited activity (exemption) under this section is effective only for the calendar year in which it is granted. The candidate's contributions do count toward the total receipts of \$2,000 or less in a calendar year.

If a candidate committee wishes to renew its exempt status, it should file an amendment to its registration statement (CF-1). Candidates on the ballot may claim an exemption when they first register or renew their exemption from the previous calendar year. However, a candidate on the ballot in that calendar year, who did not previously claim the exemption, may not amend her/his registration to claim the exemption before the date of her/his election.

## Financial Records During Exemption

When a committee is exempt, it is not required to file any campaign finance reports (ETHCF-2L, 2LE or 2a). However, the candidate or treasurer is required to keep financial records adequate to meet the requirements of campaign finance law. Records must be kept of all contributions to the committee and of all expenditures.

A candidate who is exempt from filing campaign finance reports may use a personal account as the campaign depository. The name and address of the financial institution must be provided on the registrations statement (CF-1).

## Revoking Exemption

If a decision is made at a later date to exceed the \$2,000 limit on contributions or disbursements, the committee must amend its campaign registration statement immediately, by checking the box: *"This registrant is no longer eligible to claim exemption"* on either the registrations statement (CF-1).

The committee is then required to file campaign finance reports beginning with the next regular report. The first report must cover all financial activity from January 1 of the current year, through the cutoff date of the required report.

# MAJOR PROVISIONS OF CAMPAIGN FINANCE LAW

## Contribution Limits

All candidates running for elected office must abide by contribution limits that vary depending on the office sought and the population of the district. The only contributors not subject to limits are the candidate contributing to his or her own election, and political party committees. To determine the limits for a candidate for local office, see the guidelines below and *check with the local clerk to get the current and exact amounts*.

Contribution limitations apply cumulatively to the entire primary and election campaign in which the candidate participates, whether or not there is a contested primary election.

## Contribution Limits

**Local Office** [§11.1101.Wis. stats.]: (per campaign – 2 to 4 years depending on office)

Receiving Committee	From an Individual	From a Candidate Committee	From a PAC	From a Corporation
Referendum	No limits	No limits	No limits	No limits
Recall Committee	No limits	No limits	No limits	\$0; Illegal
Local Candidate	<ul style="list-style-type: none"> <li>• Greater of \$500 or 2¢ times the population in the district</li> <li>• Not to exceed \$6,000</li> </ul>	<ul style="list-style-type: none"> <li>• Greater of \$500 or 2¢ times the population in the district</li> <li>• Not to exceed \$6,000</li> <li>• No aggregate limit</li> </ul>	<ul style="list-style-type: none"> <li>• Greater of \$400 or 2¢ times the population in the district</li> <li>• Not to exceed \$5,000</li> <li>• No aggregate limit</li> </ul>	\$0; Illegal

Corporations **cannot** make contributions to candidate committees.

Party Committees **can** make unlimited contributions to candidate committees.

## In-Kind Contributions

An in-kind contribution is any good, service or property offered to the candidate’s campaign free of charge or at less than the usual cost for such goods, services or property. For example, if a campaign worker purchases stamps that are used for a mailing and is not reimbursed for the cost of the stamps, the value of the stamps is an in-kind contribution to the candidate’s campaign from that campaign worker. When an individual is paid to work on behalf of a candidate by a political committee or some other person, the payment for those services is an in-kind contribution to the candidate’s campaign. If a political committee or individual offers to provide food and beverages for a fundraiser at less than the ordinary market price, the difference between the ordinary market price and the cost to the campaign is an in-kind contribution from the political committee or individual.

The candidate or campaign treasurer must agree to accept an in-kind contribution before it is given. Before making an in-kind contribution to a candidate, the contributor is required to notify an authorized person from the candidate’s campaign and obtain either oral or written consent to the

contribution. If the contributor does not know the actual value of the contribution, a good faith and reasonable estimate of the fair market value should be provided.

An in-kind contribution received by the campaign committee is reported by the committee as both a receipt and expenditure. This procedure allows the campaign to disclose the receipt of the contribution on its campaign finance report along with cash contributions received and track year to date and campaign period totals. Then, in order to keep the committee's cash balance accurate, the amount of the in-kind is reported as an expenditure. The two entries offset each other and do not affect the cash balance.

If an estimate of the value of an in-kind contribution is the only value available at the time the candidate is required to file a report, the committee must report the estimated value of the contribution. When the actual value of the estimated in-kind contribution is known, the actual amount is reported as a contribution and an expenditure on the campaign finance report.

In-kind contributions are subject to the same itemization thresholds and the same contribution limits as monetary contributions. Monetary contributions and in-kind contributions from a single contributor are added together for the purposes of determining compliance with contribution limits and the year-to-date amount for a specific contributor. When a political communication is provided as an in-kind contribution, the disclaimer must identify the committee receiving the contribution.

#### Contributions and Other Income from Businesses

Businesses may make contributions under some circumstances, but the rules vary by the type of business.

1. Corporations **may not contribute** to local or state candidates in the State of Wisconsin.
2. Sole-proprietorships may contribute. The contribution must be reported under the name of the individual owner. This contribution counts toward the contribution limits from that individual to the candidate.
3. Partnerships may contribute. The contribution must be reported under the names of the individual partners. The partnership may agree beforehand on how to allocate a portion of the contribution to each partner. If the partnership does not inform the candidate how the contribution should be allocated between the partners, then the contribution should be divided up according to each partner's share of the partnership's profits.
4. LLCs that are taxed as corporations **may not contribute** to local or state candidates in the State of Wisconsin.
5. LLCs taxed as a sole-proprietorship or partnership may contribute. The contribution must be reported under the name(s) of the individual owner(s). If there is more than one owner, contributions should be allocated as described in the partnership section above.

Occasionally, a candidate committee may receive other income, like interest on a savings or checking account, or a refund of a security deposit, from a business. This other income is not a contribution and may be accepted from any type of business. The income should be reported on Schedule 1-C (Other Income), rather than Schedule 1-A, where contributions are reported.

## **Prohibited Contributions**

Certain contributions are prohibited by Wisconsin law. A candidate's campaign may not accept the following types of contributions:

1. Anonymous contributions of more than \$10;
2. Contributions in cash of more than \$100;
3. Contributions given in the name of someone other than the contributor (these are laundered contributions);
4. Contributions from corporations, labor organizations or federally recognized American Indian Tribes;
5. Contributions more than the limits set by law.

A candidate should monitor contributions from organizations that have not registered. If the candidate's campaign is notified that a contribution was received from an unregistered organization, the candidate should ensure that the contribution is lawful, and not accept any additional contributions from that organization if the committee cannot determine whether the contribution is lawful.

## **Returned Contributions**

Any contribution you return to the donor after depositing it in the campaign account must be reported as a returned contribution to the contributor. Any contribution returned to the donor uncashed within 15 days of receipt has not been accepted and does not get reported.

## **Contributions Transferred through Conduits**

A conduit is any individual, committee or group that receives contributions from individuals, deposits those contributions in a financial institution, and then transfers the contributions to a committee selected by the original contributor. The conduit may not exercise any discretion over the amount or ultimate recipient of the contributions. A conduit is required to register with the Ethics Commission.

When a conduit transfers contributions, it writes a single check for the total amount of all individual contributions designated for that committee. It is required to provide a transmittal letter with the check. This letter must identify the organization as a conduit, and list the individual contributors, the amount of each individual's contribution, and the date the individual authorized their contribution.

Contributions transferred through conduits are reported as contributions received from the individuals listed in the transmittal letter. These contributions are reported under the individual's name. They are subject to itemization on the same basis as other individual contributions.

## **Obligations**

“Obligation” means any express agreement to make a disbursement, including all of the following:

- (a) A loan or loan guarantee.
- (b) A promise or a payment to purchase, rent, or lease tangible personal property.
- (c) A promise or a payment for a service that has been or will be performed.

## **ATTRIBUTION STATEMENTS (DISCLAIMERS)**

### **Disclaimers**

No disbursement by candidate committees may be made anonymously, and no contribution or disbursement may be made in a fictitious name or by one person or organization in the name of another.

- (a) Every printed advertisement, billboard, handbill, sample ballot, television or radio advertisement, or other communication containing express advocacy which is paid for by any contribution or disbursement shall clearly identify its source.
- (b) Every communication described under par. (a) the cost of which is paid for or reimbursed by a committee, or for which a committee assumes responsibility, whether by accepting a contribution or making a disbursement, shall identify its source by the words "Paid for by" followed by the name of the committee making the payment or reimbursement or assuming responsibility for the communication and may include the name of the treasurer or other authorized agent of the committee.

Attribution statements do not apply to communications containing express advocacy printed on small items, which would normally require a disclaimer, but cannot be conveniently printed, including text messages, social media communications, and certain small advertisements on mobile phones.

### **Formats for Disclaimers**

When a communication is paid for by a candidate committee, the disclaimer must include the words "Paid for by", followed by the name of the committee:

"Paid for by Friends of Mary Smith."

The disclaimer may also include the name of the treasurer or other authorized agent:

"Paid for by Friends of Mary Smith, James Jones, Treasurer."

## CAMPAIGN FINANCE REPORTS (ETHCF-2L, 2LE, or 2a)

All registrants that are not exempt from filing must file campaign finance reports. Committees must continue to file periodic reports until termination of their registration. These reports must be filed with the appropriate local filing officer when due. The reports may be submitted electronically via email, fax, mail or other authorized format. The reports must be received by the filing officer by the day the report is due. For a specific time that reports are due, please contact your local filing officer.

### **Types of Reports**

Candidates on the ballot must file a pre-primary and a pre-election report due 8 days before the primary or general election. *Candidates for local office whose names do not appear on the primary ballot are not required to file a pre-primary report.* Candidates who lose in the primary or general election must continue to file reports until they are eligible for, and request, termination of their committee. Candidates must also file continuing reports in January and July of each year until they terminate their registration, whether or not they are on the ballot.

### **Reporting Periods and Elections:**

**Spring Primary:** A committee that engages in activity concerning a spring primary must file: (1) a preprimary report; (2) a pre-election report; and (3) annually in each year of an election cycle, a report on January 15 and July 15.

**Spring Election:** A committee that engages in activity concerning a spring election must file: (1) a pre-election report; and (2) annually in each year of an election cycle, a report on January 15 and July 15.

**Partisan Primary:** A committee that engages in activity concerning a partisan primary must file: (1) a preprimary report; (2) a pre-election report; (3) in an odd-numbered year, a report on January 15 and July 15; and (4) in an even-numbered year, a report on January 15 and July 15 and on the 4th Tuesday in September.

**General Election:** A committee that engages in activity concerning a general election must file: (1) a pre-election report; (2) in an odd-numbered year, a report on January 15 and July 15; and (3) in an even numbered year, a report on January 15 and July 15 and on the 4th Tuesday in September.

Reporting deadlines can be found at <https://ethics.wi.gov>

### **Information Required**

The information listed on the campaign finance report discloses the financial activity of the candidate's campaign. The law requires disclosure of income, disbursements, and incurred obligations. In addition, disclosure is required for obligations, including loan guarantees, and for estimated in-kind contributions. Committee treasurers must exercise diligence in acquiring and furnishing the contributor information required on the receipts schedules. Under current state law, treasurers and candidates are required to make a "good faith effort" to obtain all information required on the reports. For all contributors, you must disclose the individual's name and address. If the individual's year-to-date total exceeds \$200, you must also provide the individual's occupation.

Each of the report schedules has detailed instructions for completing it on the back. These instructions should be reviewed each time a campaign finance report is prepared. A candidate is only required to file schedules that show activity. **You do not need to include blank schedules when filing reports.**

All contributions received by the committee must be reported in Schedule 1 (Receipts) of the campaign finance report. Contributions and loans from individuals are listed in Schedule 1A (Contributions Including Loans from Individuals). Contributions from other committees, such as political action committees, political party committees, and other candidate committees, are reported in Schedule 1B (Contributions from Committees). All other income such as loans from financial institutions, contributions returned from other registrants, refunds, returns of deposits or interest on investments are reported in Schedule 1C (Other Income and Commercial Loans). The date which must be provided for all contributions is the date the committee **received** the contribution, that is, the date it acquired possession and control of the contribution, **not** the date of deposit or date on the check (unless all dates are the same).

All money spent by the committee is reported in Schedule 2 (Disbursements) of the campaign finance report. General operating expenditures are listed in Schedule 2A (Gross Expenditures). Contributions to other political committees are listed in Schedule 2B (Contributions to Committees).

Additional information required to be disclosed is reported in Schedule 3 (Additional Disclosure) of the campaign finance report. All obligations of the committee such as unpaid bills are listed in Schedule 3A (Incurred Obligations Excluding Loans). Loans and the individuals who guarantee loans for the committee are listed in Schedule 3B (Loans).

Schedule 4 (Termination Request) of the campaign finance report or the ETHCF-13 form (termination request) is used for requests to terminate a committee.

### **No-Activity Report (Postcard Report)**

If a candidate receives no contributions, makes no disbursements and incurs no obligations during a reporting period, the registrant may file a postcard report form, CF-2a. This postcard form should be used **only** when there has been no financial activity and the cash balance remains unchanged during the reporting period. If there is any financial activity, a registrant is required to use the regular campaign finance report form, ETHCF-2L or 2LE.

## **How to Complete Campaign Finance Reports**

### **Reporting Receipts**

In preparing to report receipts on a campaign finance report, please remember the following:

1. Anonymous contributions of \$10 or less can be accepted from individuals only. Under this threshold, the individual donor's name and address do not have to be tracked. If any anonymous receipts of more than \$10 are received, the excess donations must be donated to the common school fund or to charity.
2. Any non-anonymous contribution must be itemized and include the person's name and address.

3. Contributions of \$100 or less may be accepted in cash. Contributions over \$100 must be made by check, or by another negotiable instrument.
4. If a single contribution is over \$200 (or if one person's total contributions for the calendar year go over \$200) the committee must report not only the contributor's name and address, but also the contributor's occupation.
5. Contributions from individuals received through a conduit are reported as receipts. They are treated in the same manner as other individual contributions.
6. A contribution given from a joint checking account should be reported as a contribution from the individual that signed the check. If any part of the amount on the check is intended to be contributed by the other owner of the account, that amount should be clearly indicated on the check or in some other writing which accompanies the check.
7. Receipts from raffles, auctions, garage sale, and other similar fundraising events are individual contributions (unless anonymous under \$10) and must be entered as a receipt.
8. All contributions from political committees, regardless of the amount, must be itemized and entered as a receipt from the contributing committee. The full name and address of the registrant, the date and the amount of the contribution are required.
9. In-kind contributions such as political posters, lawn signs, and other items are reported at their fair market value at the time of contribution. These contributions are reported as both a receipt and an expenditure. As a receipt, they are entered as a contribution type of "in-kind", with the appropriate information about the contributor. An offsetting expenditure entry is necessary because an in-kind contribution is treated as if cash was given, and then used to buy the item contributed.
10. A loan from an individual is considered a contribution. It must be reported as a contribution and as a loan. Payments on the loan should be reported as expenditures and the cumulative amount paid in a reporting period is also reported. The loan added to other contributions from the same individual cannot exceed the applicable individual contribution limit. Loans from political committees are considered contributions and are reported.
11. Returned contributions received from other registrants, refunds interest income and loans from commercial lenders are also reported as money received by the campaign. They are listed as "other income" rather than contributions.

### Reporting Disbursements - Gross Expenditures

In preparing Schedule 2 of the campaign finance report, the treasurer should remember the following:

1. An expenditure that exceeds \$20 in amount or value is an itemized expenditure requiring the name and address of the person or business to whom it was made and the date and amount of the payment.
2. The specific spending purpose of an expenditure must be reported. Please remember that the purpose of campaign finance reports is to inform the public. The descriptions should provide a person, perhaps unfamiliar with the intricacies of campaigning, with information on the nature of the expenditure and how it relates to the political process. For example, if food has been purchased for a fundraiser or for a party for workers, give the purpose as "food for fundraiser" or "food for party for campaign workers." Do not write "food" only. If T-shirts are purchased for resale by the committee, give the purpose as "campaign T-shirts for resale," not "T-shirts" only.
3. An in-kind contribution of goods or services to another committee must be itemized, regardless of the amount. The itemization must include the name and address of the registrant on whose

behalf the disbursement (in-kind contribution) is made, the name and address of the original vendor of the goods or services, and the date and amount of the disbursement.

4. The receipt of an in-kind contribution is also reported as an in-kind expenditure. If the candidate or other person makes an in-kind contribution to the committee, the in-kind expenditure must include the name of the original vendor of the goods or services, and the political purpose of the expenditure.
5. Payments made on loans and incurred obligations are reported as expenditures. The cumulative amount paid to each creditor is reported.
6. All financial institution service charges should be listed as itemized expenditures depending on the amount.
7. Contributions to other political registrants should be reported and must be itemized regardless of the amount transferred. The itemization must list the name and address of the registrant receiving the contribution, the date and amount of the contribution.
8. A letter should be sent to the filing officer within 5 days of donating money to a charitable organization, the Common School Fund, or any government entity. The letter should include the date of the donation, the name of the organization, and shall provide an explanation to the filing officer of why the funds were not retained by the committee. See WIS. STAT. §11.1302.

#### Reporting Incurred Obligations

1. Incurred obligations are to be reported when an enforceable agreement has been reached. If the exact amount of the obligation has not yet been defined, the amount of the obligation must be estimated. Although the committee may not have received a bill, the amount recorded should be a good faith estimate of the amount owed.
2. Each obligation must be carried forward on subsequent reports until the obligation has been reduced to zero.

#### Reporting Loans

It is important to remember the following information concerning the recording and reporting of loans:

1. A loan from an individual or a political committee is reported as a contribution in Schedule 1A (individual) or in Schedule 1B (political committee) and is listed in Schedule 3B.
2. A loan from a financial institution is reported in Schedule 1C as other income and in Schedule 3B as a loan.
3. Each payment on a loan must be reported as an expenditure in Schedule 2A. The cumulative amount of the payments made on a loan is reported in Schedule 3B.

## **TERMINATION OF REGISTRATION AND REPORTING REQUIREMENTS**

A candidate may terminate its registration if it meets the following requirements:

1. Determines that all financial activity will stop, and that she or he will no longer receive contributions, make disbursements, or incur obligations; and
2. Files a termination campaign finance report showing that all incurred obligations have been paid or satisfied, and that the cash balance has been reduced to zero; and,
3. Completes a request for termination in Schedule 4 (Termination Request) or form ETHCF-13.

**A candidate may not terminate his or her registration before a primary or election in which he or she is a candidate. If a candidate loses a primary, he or she may terminate before the general election.**

### Disposal of Residual Funds

Residual funds may be used for any purpose not prohibited by law and not for an individual's strictly personal use, including:

1. Returning money to contributors in amounts that are not more than the contributor's original contribution (note: the candidate or treasurer may choose which contributors to refund. You are not required to pro-rate and return a portion to all contributors); or
2. Donating money to any tax-exempt charitable organization or the Common School Fund; or 3. Transferring money to another registrant within the permitted contribution limit; or
4. Using any combination of the above.

Prior to making these disbursements, make sure the committee does not have any pending fees or settlement offers.
