Events/Street Use Checklist

Please use this checklist to prepare and provide the requested information for your event. Some items may not be applicable to your event.

- Name of the route coordinator with day of event cell phone number
- At least two (2) Event Day contacts with cell phone numbers
- Schedule of events including the following:
 - Setup including address of start and finish locations
 - Registration
 - Event benchmarks
 - Cleanup
- A comprehensive site map indicating the following:
 - Location of the event
 - Location of tents or other temporary structures
 - Location of fencing with entry/exit points
 - Location of vendors and contact information
 - Location of participant and staff parking
- Route map indicating the following:
 - Route direction of participants
 - Location of course marshals/volunteers
 - Location of aid/water stations
 - Location and type of traffic management (cones, barricades, signage, detour routes)
 - Type III barricades may be available from the City of Fitchburg. Please contact Community & Economic Development @ joyce.frey@fitchburgwi.gov – please include “Special Events Barricades” in the subject line to reserve them. The barricades can be picked up at and returned to the City Maintenance Facility at 2373 South Fish Hatchery Road during normal business hours
- Confirmation that coordination has taken place with other jurisdictions along the event route such as county/state - roads/bike paths:
 - Chris James, Dane County Park Planner, 608-224-3763, james@countyofdane.com
 - Dane County Department of Public Works, Highway and Transportation (608) 266-4261
- Security plan indicating the following:
 - Name of private security company and their role
 - Number of security personnel and their hours
 - A description of what the security personnel will be wearing (i.e. uniform, etc.)
 - If alcohol is being served, who is responsible for checking ID's
 - If police service is requested or required, the costs for police service will be invoiced to the event organizer. Please provide the name and address to whom the invoice should be sent. All requests for police service will require a letter requesting the number of officers needed, the date and time the officers are needed, and the requested duties of the officers.
- A severe weather monitoring and notification plan indicating the following:
 - Who will be monitoring the weather
 - How will event attendees be notified of severe weather
 - What are the evacuation and shelter plans
- Share any other event contingency plans – these plans may include Emergency operations plan that addresses initial actions during an emergency (first-aid, defibrillator, fire extinguishers, dialing 9-1-1)
 - Disruptions to the route
 - Medical/first aid provider agreements
 - Suspicious packages, fires, or other public safety matters
