

Verona Road (US 18/151) Project

*Improving safety, mobility
and efficiency*

Steven Theisen, Project Communications Manager

Stage 2 Construction Events

Verona Road (US 18/151): Fitchrona Road to Raymond Road
Local roads: County PD (McKee Road), East Frontage Road, Fitchrona Road, Nesbitt Road, Williamsburg Way

Plan Ahead.

Spring 2019 – Fall 2020

- Reconstruct and expand Verona Road to three lanes between Raymond Road and County PD
- Verona Road bridges over County PD
- Reconstruct and expand County PD to three lanes from Hard Rock Road to Commerce Park Drive

Fall 2016 – Fall 2017

- Reconstruct Nesbitt Road and the East Frontage Road
- Construct eastbound interchange ramps at County PD and Williamsburg Way
- Construct Fitchrona Road between County PD and King James Way
- Construct Williamsburg Way and Anton Drive roundabout

Summer 2017 – Summer 2019

- Reconstruct Verona Road south of County PD, including the County PD interchange ramps
- Construct westbound interchange ramps between County PD and Raymond Road
- Construct Williamsburg Way bridge over Verona Road
- Reconstruct Verona Road south of Raymond Road

Key points to remember

- Two lanes are **OPEN** in each direction on Verona Road and County PD, especially during morning and afternoon rush hours.
 - Nighttime lane closures will occur throughout the season.
- Access is **OPEN** to area businesses.
 - Turns allowed to/from Verona Road at County PD and Raymond Road.
 - Turn restrictions for three months at Williamsburg Way.
 - Update your website and/or social media with directions to your business.
- Stay positive and keep connected on the project!

Bridge
construction

Verona Road and Williamsburg Way intersection
Spring 2019

For 90 calendar days, only right turns in and out
allowed. **No left turns at intersection.**

Alternate local routes are required.

Williamsburg Way interchange

**Southbound Exit to CTH PD (McKee Road)
from US 18/151 (Verona Road)**

**NORTHBOUND
US 18/151 (VERONA ROAD)**

County PD/McKee Road interchange

**Southbound Exit to CTH PD (McKee Road)
from US 18/151 (Verona Road)**

**NORTHBOUND
US 18/151 (VERONA ROAD)**

What happens in 2020...

Reconstruction and expansion on County PD/McKee Road, between Fitchrona Road and Commerce Park Drive.

- Two lanes to remain open in each direction during morning and afternoon rush hours.
- Off-peak lane closures – one lane open each way.
- Permanent turn restrictions at County PD/Kapec Road/Nesbitt Road intersection.

Resurfacing on County M, between US 18/151 and US 14 near Oregon (alternate route).

- One lane remains open in direction. Flagging operation around construction crews.

Businesses in the work zone

PROMOTE YOUR BUSINESS DURING CONSTRUCTION

Is your business located within the current Verona Road work zone? If so, help your business not only survive, but thrive, during construction.

Promote your business by uploading your business information to our website. (Please allow 1-3 business days for information to be added.)

- [Submit your business information](#)
- Download the ["In This Together" workbook](#) for tips and tools to help your business during construction.

Step 3

BUSINESSES LOCATED IN THE VERONA ROAD CONSTRUCTION AREA

Regardless of any roadwork inconvenience, please continue to patronize area businesses in the Verona Road work zone.

NOTE: All external hyperlinks are provided for your information and for the benefit of the general public. The Wisconsin Department of Transportation does not testify to, sponsor or endorse the accuracy of the information provided on externally linked pages.

WI Verona Road Project

January 10 at 5:00am

DID YOU KNOW...

After the Verona Road Project improvements, Williamsburg Way will become a diamond interchange with Verona Road (US 18/151) traffic traveling under the Williamsburg Way bridge. Verona Road traffic will travel over County PD (McKee Road).

You can view all Verona Road Project improvements at <http://projects.511wi.gov/veronard/exhibits/>. Or watch the narrated animation video of future Verona Road in the Fitchburg area → <http://bit.ly/VRStage2DriveThrough...> See More
