## Theme:

## Letters

### Read

Optional  
Titles

### Sing

### Talk

Use the “I Spy” game to identify the first letter of words. Say “I Spy with my little eye something that starts with the letter \_\_\_\_.” Go back and forth giving the child a chance to both choose and guess.

### Write

Fill and seal a large Ziploc bag with sprinkles and lay it out flat. Have the child use their finger to practice writing letters in the sensory sprinkle bag.

### Play

Have a “Post-it note Alphabet Race.” Write letters on sticky notes and attach to a wall. Call out a letter for the child to grab and have them race to stick it to another location.
