Theme:

Animals

Read

Optional
Titles

Sing

When Cows Get
Up In the
Morning

Talk

Point out animals in everyday life, while you are reading, or while you are watching television. Ask your child what the animal is? What noise does it make? Where does it live? What does it eat?

Write

Practice writing animal names. Use all lowercase letters. Use all uppercase letters. Sound out the words as your child writes them down. Have your child say the words out loud, pointing to each letter.

Play

Play pretend. Imagine with your child that they are a dog or a cat. Let your child crawl around, make noises and explore the world through the eyes of an animal.
