

Better Zoning for All of Us Begins with One of Us — *You.*

Help us understand the issues by joining us for this important public workshop.

Issue Identification Public Workshop

Wednesday, December 2, 2009, 6-8pm

City of Fitchburg Community Center, Oak Hall Room

5510 Lacy Road, Fitchburg WI, 53711

Early next year, Fitchburg will be holding a *charrette* — a multi-day workshop where community stakeholders work collaboratively with expert consultants — to hammer out the details of a new zoning ordinance. Whether in-person or on-line, you'll be provided all kinds of opportunities to get involved and be heard. This preliminary meeting is one of them.

Help us create a better zoning approach. One that results in the community we envisioned with our 2009 Comprehensive Plan.

Respecting the Past, Safeguarding the
Present, and Assuring a Vital Future —
with better zoning.
